Teacher Instructions  
Symphony City  
Website Review

Your name: \_\_\_\_\_ Date: \_\_\_\_\_ Grade Taught \_\_\_\_\_

(Please read to those you are observing)

As you review the website, we are interested in your complete experience—how much time it takes, points of confusion, items which you particularly like or enjoy, areas where more explanation is needed, wording changes, recommendations. No item is too small. We also want your criticism. We want you to try and “break it” or push it to its limits. If you find yourself wondering what to do or questioning something, assume its something we should fix. Don’t assume its your own lack of computer experience or something like that. Let us know if you have to reread the instructions, or just don’t “get it”. Let us know where you find yourself skipping the instructions, or feeling the need to click on “help”.
